

**United/Bakers/Bread Underprint**    Bulletins 313/24; 314/8; 316/19.

In 316/19 Jack Brandt had this underprint on a perfinned stamp 'A/&C<sup>o</sup>' (A 1300.02). Now **Alan Sandy** reports the same underprint and the same die (A/&C) on GV 1½d, 2½d & 4d values. This die is known to be used by Armour & Co Ltd who, I believe, were manufacturers of tinned meats. He also has the underprint on GV 1½d & 3d values with the perfin M&C<sup>o</sup> (M1510.03), the user being unknown.
